

Committee Program Geo-Congress 2023

Location: Los Angeles Convention Center
1201 S Figueroa Street • Los Angeles, California

Sunday, March 26, 2023

8:00 AM - 12:00 PM PST:	Technical Coordination Council (<i>by Invitation Only</i>).....	503
1:00 PM - 5:00 PM PST:	Technical Chair Workshop (<i>by Invitation Only</i>)	503
2:30PM - 4:00 PM PST:	USUCGER	501A
8:00 - 9:30 PM PST:	JGGE Editorial Board	501A
9:30 - 11:00PM PST:	Technical Publications Committee.....	501A

Monday, March 27, 2023

10:00 AM - 12:00 PM PST

Computational Geotechnics	501B
Deep Foundations	503
Local Involvement Committee (<i>by invitation only</i>).....	511A
Rock Mechanics.....	501A
Sustainability in Geotechnical Engineering ..	511C
Unsaturated Soils	501C

1:00 PM - 3:00 PM PST

ASCE G-I INNC Committee	503
Grouting	501C
Outreach and Engagement Committee	511A
Pavements	501A
Soil Properties and Modeling.....	501B

3:00 PM - 5:00 PM PST

Embankments, Dams, and Slopes.....	503
Geophysical Engineering.....	501C
Risk Assessment and Management	501B
Shallow Foundations.....	501A

7:00 PM - 9:00 PM PST

International Activities Committee.....	511A
-----------------------------------------	------

Tuesday, March 28, 2023

10:00 AM - 12:00 PM PST

DFI Subsurface Characterization	511B
Earth Retaining Structures.....	501A
Geosynthetics.....	501B
Student Leadership Council.....	511C
IDEA Review Panel	511A

1:00 PM - 3:00 PM PST

Eng. Geology & Site Characterization	501A
Geoenvironmental Engineering.....	501B
Geotechnics of Soil Erosion.....	501C
Professional Practice Council	511A

3:00 PM - 5:00 PM PST

Earthquake Engineering & Soil Dynamics.....	501A
Soil Improvement	503

7:00 PM - 9:00 PM PST

Underground Engineering & Construction....	501B
--------------------------------------------	------

Wednesday, March 29, 2023

10:00 AM - 12:00 PM PST

Organizational Member Council.....	511A
Student Participation Committee.....	511C
